OPENING CEREMONY

Arrival: 9.00am

Assemble @ Athletics Arena

Hosted by:

The Lancashire Local Organising Committee is pleased to announce that Rock FM will be joining us on the 3rd July 2018 to host the Opening and Closing Ceremonies for the SPAR Lancashire School Games.

Hosted by Rock FM's Pete Otway, this year's event is set to contain more performances, prizes and entertainment than ever before.

Please arrive for 9am to help build the atmosphere and get involved with creating excitement before the Opening Ceremony begins at 9:25am.

Teams will be grouped in borough order and signs will be clearly marked with your borough names.

The team parade will start at 9.25am, where boroughs will parade out to their chosen song. Our photographer will be there to get a borough photograph, so big smiles and lots of cheering will be needed.

All spectators should be seated in the stand of the Athletics Track and we recommend that only one teacher (if possible) stays with the team during the parade. Everyone else should go to the athletics stand to enjoy the opening ceremony.

The winning flag designer will lead each district team out to parade into their position on the track.
