England Primary School, Chorley)*

*Going to the school games is so much fun,
It really doesn't matter if you place number one.*

*The crowds all cheer and it's really sunny,
And you get to make new friends which are great and funny.*

*Schools all over wear their different coloured T-shirts,
And there's also a great cafe that sells delicious desserts.*

*Everyone is happy all day with a great buzz in the air,
You lose yourself in the moment like you just don't care.*

*Everyone comes together as one big team,
And to win the competition is everyone's big dream.*

*The games represent sports, passion and unity,
They make everyone full of energy, spirit and glee.*

*I have been so lucky to go there twice and dance,
And I am forever thankful I got given that chance.*
