

# Spar Lancashire School Games

## Year 3-6 Move! Resource

The recommended amount of physical activity for children aged 5-18 is **60 minutes** a day. It should be hard enough for us to get a little bit out of breath and a little bit sweaty!

Children and young people should aim to minimise the amount of time spent sitting and **move more**, when and where possible long periods of not moving should be broken up with physical activity.

Active Children are happier and healthier, an active child also learns better and sleeps better!

We understand that keeping your child active during the Covid-19 outbreak is challenging which is why we have put together a list of resources to help keep your child 'Moving':

### Online Resources available

[Visit the Sport England website. Here there is a dedicated #stayinworkout page](#)

Here you will find links to the following:

- [Joe Wicks Body Coach](#)
- [Disney Dance Workouts](#)
- [Cosmic Kids Yoga](#)
- [Change4life \(indoor activities for kids\)](#)

Also check out the following online resources:

- [Imoves - Physical Activity and mental wellbeing resource](#)
- [Go Noodle - Childs App featuring dance along videos to you move!](#)
- [Just Dance YouTube Channel](#)
- [Youth Sport Trust - Active Breaks](#)
- [UK Active Kids Move Crew](#)

### Other Suggested Games and Activities

Put on a favourite song and dance along

Go for a family walk, run or cycle (try to choose a time when it is quiet and remember to observe social distancing rules)

Create a basic circuit of your favourite exercises

Make up an obstacle courses
